Sri Mulka GOVINDA REDDY.—Are the Government aware that it was for 10 seats ?

Sri A. G. RAMACHANDRA RAO.—I don't exactly remember the number.

Sri Mulka GOVINDA REDDY.—Will the Government take only 10 or not ?

Sri A. G. RAMACHANDRA RAO.—That is exactly what we are considering.

Motor Vehicles purchased during 1953-54 and 1954-55.

Q.—280. Sri J. MOHAMED IMAM (Jagalur).—

Will the Government be pleased to state :—

(*a*) how many motor vehicles have been purchased during the year 1953-54 and 1954-55 ;

(*b*) the cost of these vehicles ?

A.—Sri A. G. RAMACHANDRA RAO (Minister for Law and Education).—

(*a*) 1953-54 ... 162
1954-55 ... 109

(*b*) Rs. 55,91,328.

Sri J. MOHAMED IMAM.—It is stated that in 1953-54, 162 motor vehicles have been purchased and in 54-55 ; 109. May I know the kinds of vehicles purchased—how many cars, how many buses, lorries, etc ?

Sri A. G. RAMACHANDRA RAO.—There are two other similar questions put in a very comprehensive manner. I have tried to go through the whole thing. I have sought for verification. This question may be taken up at the time when the other questions come up.

Sri J. MOHAMED IMAM.—It may come ; it may not come. It is the duty of the Government to answer every question as it appears.

Mr. SPEAKER.—The Minister represents that full justice should be done to the question and that it may be taken up some other time.

Sri J. MOHAMED IMAM.—That question may come up or may not come up. We have got a few days more. Moreover, because another question is coming up, that does not deprive me of my right of putting the question.

Sri A. G. RAMACHANDRA RAO.—Almost an identical question has been put and I have called for correct answers and I will give it in a cemprehensive manner and place it on the Table. I cannot give incorrect or incomplete answers.

Sri J. MOHAMED IMAM.—Out of 162 how many buses, how many cars and how many lorries have been purchased ?

Sri A. G. RAMACHANDRA RAO.—I have sought the information from the department. After I receive that I will place it on the Table of the House.

Sri J. MOHAMED IMAM.—I think, Sir, Government cannot excuse themselves like this. When the question is before the House . . . . .

Sri A. G. RAMACHANDRA RAO.—I am sorry, Sir, for the insinuation. I have stated that I have sought for information from the department and that I will place it on the Table of the House.

Mr. SPEAKER.—We want only answers.

Sri J. MOHAMED IMAM.—My contention is, it is two months since I have sent that question. . . .

Mr. SPEAKER.—I know. You have sent a comprehensive question and if you ask for details, it will be very difficult for Government to furnish them.

Sri J. MOHAMED IMAM.—That raises a big issue, Sir.

Mr. SPEAKER.—Can this question be taken at tomorrow or the day after tomorrow ?

Sri A. G. RAMACHANDRA RAO.—Very well, Sir.

Mr. SPEAKER.—This will be taken up day after tomorrow.

Sri J. MOHAMED IMAM.—Can I be sure that it will be before the House to put supplementaries during the question hour ?

Mr. SPEAKER.—Yes. It will be taken up even after question hour.
